North Penn, whose long domination of District 1 Class AAA boys' swimming and diving was halted three years ago by Upper Dublin, has put itself in a position to return to the top.

But Central Bucks East and Boyertown may have some say in whether it does.

The Knights lead East and Boyertown by five and eight points, respectively, going into Saturday's final day of district competition at La Salle University. Upper Dublin, which won the district crown in 2007 and 2008 before yielding to West Chester Henderson last year, is in fourth place with 102 points. Henderson is fifth with 100.

Springfield of Montgomery County is on top in Class AA action with a 28-point lead over second-place Upper Perkiomen, 234-196. Holy Ghost Prep is third at 137.

North Penn piled up its 137 points Friday without benefit of a first-place finish. The Boyertown Bears, who have never won a boys' district crown, won three individual events. It's the most they have ever won on the first day of the championships.

Jordan Hartman gave Boyertown its first win of the day when he took first in the 200-yard freestyle with a time of 1 minute, 42.20 seconds.

Teammate Matt Duffy took the 50 free in 21.71, edging the Patriots Wiley Weber by .07 of a second.

Boyertown's third gold medal came from Wesley Trumbauer in the 100 butterfly.

East picked up 40 points by winning the 200 free relay. The 200 medley relay went to Upper Dublin.

The other AAA gold medal went to Henderson's David McCormick. He repeated as 200 individual medley champion, nipping longtime competition Matt Salig of Downingtown East.

"We're in the Ches-Mont [League] together," said McCormick of his battles with Salig. "We've been going at it since our freshman year."

McCormick's time was 1:53.01 compared to Salig's 1:53.51.

"If I could get that down to the 1:52 low I'd be very happy," added McCormick, who is headed to Maryland.

John Quadliariello picked up the only gold medal for Springfield, the defending Class AA champion. He beat out Willy Schlosser of Harriton, 1:46.3 to 1:46.5.
